The Virginia Egg Council will send a prize to each of your finalists along with information about the state finals. Entry credentials, parking passes, driving directions, and tips for competing in the finals, will be sent in September.

State Finals will be held on Saturday, September 30, 2023

State Fair of Virginia

The same rules will apply at the State Fair finals as did at the local county fairs.

Thanks a Dozen for facilitating this egg-citing state-wide contest at your local fair!
