2025 Egg Recipe Contest at the County Fair

Everyone has a favorite recipe they love to whip up during the winter holidays - and we're looking for the one you most enjoy preparing and serving. It doesn't matter if the recipe is an appetizer, a main dish, a beverage, a dessert, or an item you fix for gifting, if it contains *at least four eggs*, you can enter it. The possibilities are endless, so we're expecting Virginia's eggceptional cooks and bakers to come up with something eggstraordinary - proving that *Eggs are Meant to be Broken, Egg-specially during the holidays!*
